RE: Style# V239P Black, for example lot 20245/29576900)

The components do not contain any of the REACH Substances of Very High Concerns (SVHC) and are compliant with RoHS (Restriction of Hazardous Substances) Directive. To the best of our knowledge no restricted chemicals or California Proposition 65 listed chemicals are intentionally added to or used during our manufacturing process. We further state that our processes are TSCA compliant.

Regards,
