## Late Notice

Dear VERATEX INC.,

We haven't received your monthly premium payment. As a reminder, your monthly payment is due by the due date. Please send full payment right away. If full payment is not received by the end of your grace period, your coverage will be terminated effective 05/01/2023.

If you already made your payment for the amount you owe, please disregard this notice. This statement is provided in addition to your monthly invoice as a way to summarize all past-due open balances. Please check your account status online at [www.employereservices.com](http://www.employereservices.com).

### What happens if I do not pay the premium balance?

We will not process claims after the contract termination date. You will need to let your employees know that their coverage is terminated. A sample letter for your employees is included with this notice. If you continue to collect premiums from your employees after the date coverage is terminated, you will be responsible for any benefits. Additionally, if we have paid claims during the grace period, we will take appropriate action to recover that amount.

Please detach and return with your payment.
