Important

Federal Subscriber Line and Access Recovery Charges

On or after July 1, 2023, Federal Subscriber Line Charge (SLC) and Access Recovery Charge (ARC) rates may change on primary and additional phone lines. The SLC helps pay for the cost of providing and maintaining the local phone network. The ARC may be included in the SLC or may appear as a separate line item on the bill, and recovers part of the access rates charged between carriers to carry telecommunications traffic.
