Good afternoon,

Please see the chart below and note that we have received a shortage of goods from your warehouse as the labels shows all four roll with 300 yds inside, but the actual quantity is less than mark on each roll. Total shortage in 165 yds. See pics attached.

Kindly check on this and note to have more accurate deliveries concerning our orders. Your shipping department should have more control of the orders and goods they handle, as this would become an issue for any customer. Please advise if a credit will be issued or if you will send some goods to cover the shortage.

Your prompt attention is appreciated.

Regards
