Amanda:

Are these goods in rolls or all cut out defects?

Thanks,  
Wei

Good afternoon Wei,

We have finished rerolling all of the 7122 we got in on my PO 14530. We lost a total of 450 yds because of spots, runs and holes and other assorted issues. I believe I sent you some samples a few weeks ago. What you we need to do to get a credit for these bad goods? Thanks for your help and have a great day.
