Claude,

Please set us up for a delivery of 7000 yards (15-16 rolls)
White 48" Polyester Tricot material.

Please use our P.O.#1292.

We would appreciate it if you could find the best freight rate
For when this is to be delivered. We will be checking with our
FedEx freight as well.

Many thanks,

Lisa

It needs to be either

7000 yards (15-16 rolls) OR

10000 yards (22-23 rolls) OR

The price is the same at 1.33/yard.

Thanks,

Claude

Hi Claude,	
Thank you for reaching out. I hope you are doing well.	
We have 21 rolls left of the 600 mic that we purchased	
most recently from you. We are not at the pace we used	
to have been.	

The world outside is a shameful mess, but we are still	
fascinated at what God has created in nature! And people!	
Blessings anyway,
