**Part Identification & Traceability:** All material shall be labeled with SKYDEX part number upon receipt and/or shipment of material. This labeling shall be maintained through all stages of the supply chain to eliminate accidental substitutions of materials. Please check SKYDEX drawings for any material identification requirements beyond what is stated here.

**Packaging Requirements:** All SKYDEX material shall be packaged according to best industry practice unless otherwise noted here or on SKYDEX drawings. For all painted parts, the painted parts shall be separated from one another as not to transfer paint from one part to another during shipping or storage.

**Quality Requirements – Please send all quality requirements to [quality@skydex.com](mailto:quality@skydex.com) & [operations@skydex.com](mailto:operations@skydex.com) :**
