Hi Claude,

We're waiting to hear back from our customer, they are not too happy with us right now. We'll send over the PO for the red in the meantime.

Subject: Re: Pricing/turnaround time V239p red

Hi Kathy-

We have the greige goods to cover this so turnaround would be 4 weeks.

All our costs are the same 6,000 or 12,000, so sorry, no break there.

Any word on the white order?

I'm asking because if you order the red, we will only have 1 dye lot of greige goods left on the V239P.

Regards,  
Claude

typically we order 5-6,000 yards. We need 12,000 yards..
