Hi Wei,

We are going to need 1500 yds of the scrim fabric. The end user is still nervous that it may not be the right fabric. You and I are quite certain that it is but he is asking if for some reason it does not work right, if we can return 2 of the 3 rolls which have not been processed. Obviously we will absorb the frt charges and any restocking fee. We will also need a Certificate of Compliance from you which simply states that the fabric is 100% polyester, has no sizing or treatment, that the material is just washed and cleaned and the general appearance will be clean with no foreign matter present.

I will also need 300 yds of black and 800 yds of white 10838. Used today's date as the order number. Ship via Glen Raven. Do not ship until the order is confirm tomorrow.

Thanks  
 Lenny
