Dear Ms. Chang:

This letter will confirm receipt of your request for a statement about the use of Azo Dyestuffs in the dyeing process of Style V10838-62.

Style V10838 is free of Azo dyestuffs, Azoic coupling components and developers, which are able to release carcinogenic amines.

If I can be of any further assistance, please call me at (336)-221-2236.

Sincerely,

Glen Raven
