This box is used for this document conform to the specifications set forth in the box number, regardless of how the box is labeled.

to certify that the above-named articles are properly checked, described, packaged, marked and labeled, and are in proper condition for transportation and to the applicable regulations of the Department of Transportation. It is further required that the property be carried by water, the law requires that the bills of lading shall state whether it is "carrier's or shipper's weight." If the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. This shipment is hereby specifically stated by the shipper to be not insured.
