Promotional pricing is subject to completing and maintaining any applicable service components and term obligations. Term product prices require continuation of qualifying products for the term; early termination fees apply to early removal. Any future changes to this order such as product or date of delivery will impact the pricing shown above. Taxes shown are estimated and do not necessarily reflect the exact taxes, surcharges and other fees that will appear on your bill.

This Summary includes standard installation only. Nonstandard charges are not shown above and may include charges for items such as additional jacks, wiring, outlets, or other nonstandard equipment and work by our technician. Verizon supports only Verizon provided equipment (routers, modems, etc.). Customer is solely responsible for any other equipment used with Verizon Services.

By ordering, using or paying for services, you are accepting and agreeing to the terms and conditions in the Services Agreements, Terms of Service, Product Guides and Tariffs that apply to these services. To review these and other important terms, including the requirement to resolve disputes by arbitration and limitations of liability, please visit [verizon.com/terms](https://www.verizon.com/terms), click business, and locate "Terms of Service" under the Business Terms of Services heading. For Tariffs and product guides covering telephone service, please visit [verizon.com/tariffs](https://www.verizon.com/tariffs) and select the state.

There are other terms and conditions that are a necessary part of your agreement which you should review. Those terms are available at [verizon.com/terms](https://www.verizon.com/terms) and are also provided on or before the installation of your Verizon Internet services. The terms provide that your services are governed by limitations of liability for services and equipment and the settlement of disputes by arbitration. If you are a new customer and you don't agree to those additional terms, you can cancel your order before your services are installed without an early termination fee. You can also find information regarding the performance of the Internet service you are ordering and our network management practices at [verizon.com/terms](https://www.verizon.com/terms).
